DEVELOPER SERVICES

strategic PLANNING * *financial* INSIGHT * *valuable* KNOWLEDGE

Two things distinguish STATEWIDE REALTY from other firms in New York City real estate: our sharp focus on the real estate industry and our abundant knowledge of the Manhattan real estate market. STATEWIDE offers services to meet the increasingly complex needs for real estate development. We seek extraordinary returns for taking manageable risks by utilizing the broad array of talent, knowledge, and skill sets of our diverse staff.

DISTINCT PROCESS

StateWide Realty provides a full array of developer services ranging from project and concept analysis to transaction advisory. Our firm is a close-knit and mobile team of experienced and accomplished professionals who specialize in working closely with developers from the earliest stages of a project until completion. Throughout each stage of the process, we provide the services that are essential to our clients. Our customized service enables us to deliver outstanding results for our clients, whatever a given project's scope, shape or scale. Our mobility allows us to integrate ourselves with clients and become intimately familiar with the specific characteristics and needs of our clients' project.

The world of real estate has changed significantly over the last decade. Managing risk, understanding budgeting, and having the right financial expectations are keys to real estate success. At StateWide, our staff is experienced in financial planning and creating strategies for developers, from the early stages to the project completion. We strive to deliver compelling risk-adjusted returns over the long term.

Our connections with brokers and financial institutions with vast knowledge of New York City real estate allow StateWide to guarantee that our clients receive only the most valuable assistance from us. StateWide ensures that the projects we represent achieve their full potential and stand out in today's competitive environment.
